

**Public Meeting February 19 in Horry County
Concerning Proposed Glenn's Bay Road
Widening and Interchange Project**

COLUMBIA, SC –The South Carolina Department of Transportation (SCDOT) and Horry County have scheduled a public information meeting Thursday, February 19 concerning the proposed Glenn's Bay Road widening from US 17 Bypass to US 17 Business and Glenn's Bay Road/ US 17 Bypass interchange project.

The meeting will be from 5 p.m. to 7 p.m. at the South Strand Government Complex located at 9630 Scipio Lane in Myrtle Beach. The meeting will have a drop-in format with displays for viewing. Citizens will have the opportunity to provide written comments, however a formal presentation will not be given during this time.

An official Public Hearing may be held in the future. At that time, a formal presentation will be given, and citizens will have the opportunity to make formal, verbal comments immediately following.

The purpose of the meeting is to provide information regarding the Glenn's Bay Road widening and Glenn's Bay Road/ US 17 Bypass interchange project. Representatives from SCDOT will be available to answer questions. The project team also desires input from local citizens with knowledge of historic, cultural, and natural resources in the immediate vicinity of the project

This project is being funded through Horry County's RIDE II Capital Local Option Sales Tax program.

For more information, the public may contact Mike Barbee, Program Manager, (803) 737-4034.
